

Key Staff

Aaron Beattie RAIA
Director
Gold Coast Office

As the founding Principal since the firm's inception in 2007, Aaron Beattie has played a key role in building Northerly Aspect's reputation for innovation, quality and dependability.

Throughout his career, Aaron has worked on a wide range of architectural projects. In particular, he has extensive experience in the design and development of major retail complexes, commercial office buildings and high rise developments.

Aaron's career has seen him have the opportunity to be involved with projects both in Australia and the Asia Pacific Region over the past 15 years.
